

Resolutions Sent to the Secretary of State

HR 1 (Katz) – This resolution requests the Department of Health and Hospitals to study the feasibility of requiring the placement of automated external defibrillators in schools.

HR 69 (Hardy) – This resolution requests the Louisiana High School Athletic Association to vote favorably to raise the minimum GPA requirement for student athletes.

HCR 33 (Leger) – This resolution requests the State Board of Elementary and Secondary Education (BESE) to study charter school use of city, parish and other local public school system-owned facilities.

HCR 37 (P. Smith) – This resolution requests city, parish and other local public school boards to include student representation on their boards in an advisory, nonvoting capacity.

HCR 45 (Willmott) – This resolution requests nonpublic schools with grades ten and twelve to provide students enrolled in such grades at least thirty minutes of classroom instruction pertaining to the Safe Haven Law.

HCR 46 (Willmott) – This resolution requests the governing authority of each public and state-approved nonpublic school to incorporate exercises from the Prevent Injury and Enhance Performance program (PEP) into physical education classes and athletic training programs.

HCR 53 (Hutter) – This resolution requests BESE to develop and implement an age-appropriate unit on hurricane awareness for students in each grade in all local public school systems.

HCR 54 (Hutter) – This resolution requests the Louisiana Department of Education to compile statistics relative to where public school teachers certified in the past 10 years received degrees and report to education committees.

HCR 68 (Dixon) – This resolution requests BESE to study standards it uses to approve alternative education programs as such standards relate to providing sufficient counseling services and security.

HCR 87 (P. Smith) – This resolution commends the East Baton Rouge Parish School System upon being recommended for AdvancED district accreditation.

HCR 112 (Downs) – This resolution requests local public school boards to convene public meetings at least twice each year with the appropriate local law enforcement authorities and school personnel to discuss and report on issues relative to school attendance and behavioral problems of students and to formulate local annual action plans to improve student behavior and school attendance.

HCR 131 (P. Smith) – This resolution requests BESE to develop and adopt policies relative to options and strategies for schools in danger of state takeover.

HCR 149 (Baldone) – This resolution requests each public school governing authority to develop and implement a comprehensive anti-harassment, intimidation, and bullying program.

HCR 151 (P. Smith) – This resolution requests the State Board of Elementary and Secondary Education (BESE) to study the feasibility of returning certain schools transferred to the Recovery School District (RSD) to the local school systems from which they were transferred under certain circumstances.

HCR 164 (P. Smith) – This resolution requests BESE to conduct an in-depth study of the financial burden on local school systems imposed by rising costs of providing retiree health care benefits and to recommend a solution.

HCR 165 (Dixon) – This resolution requests BESE to implement a policy to provide for an alternate method of assessing the overall performances of alternative schools.

HCR 168 (Leger) – This resolution requests BESE to create a task force to study issues relative to charter school funding.

HCR 177 (Stiaes) – This resolution requests public school boards and superintendents to dedicate federal stimulus dollars to low performing schools.

HCR 192 (Carmody) – This resolution requests BESE to study all issues relative to advertising on school buses.

HCR 193 (A. Badon) – This resolution requests BESE, in consultation with the La. School Boards Association and the La. Association of Public Charter Schools, to conduct a comprehensive study and review of the charter school law.

HCR 194 (Hoffmann) – This resolution requests BESE to study issues related to LEAP with respect to special education students, students with disabilities, and Limited English Proficient (LEP) students.

HCR 204 (Fannin) – This resolution requests BESE to conduct a ten-year study of graduation rates in Louisiana based on a grades seven through twelve cohort of students and report annually.

HCR 211 (R. Jones) – This resolution requests BESE to adopt a policy requiring certain schools to extend the school day.

HCR 213 (Hardy) – This resolution requests BESE to study implementing a uniform grading scale in all public schools.

SR 47 (Gray-Evans) – This resolution urges and requests the Louisiana Student Financial Assistance Commission to study the feasibility of establishing a student loan repayment program for certain audiologists and speech-language pathologists who are employed in Louisiana's city, parish, and other local public schools.

SR 48 (Gray-Evans) – This resolution urges and requests the Louisiana Student Financial Assistance Commission to study the feasibility of establishing a student loan repayment program for certain school social workers who are employed in Louisiana's city, parish, and other local public schools.

SCR 9 (Nevers) – This resolution requests city, parish, and other local public school boards to include student representation to such local boards in an advisory, non-voting capacity.

SCR 13 (Broome) – This resolution requests Southern University to establish a plan and recommend policies that support university-private sector partnerships in renewable energy.

SCR 17 (Nevers) – This resolution provides for legislative approval of the Minimum Foundation Program (MFP) formula for FY 2009-2010 as adopted by BESE on March 12, 2009.

SCR 27 (Nevers) – This resolution requests the High School Redesign Commission to study the feasibility of establishing a statewide uniform grading scale for use in all public high schools.

SCR 48 (Broome) – This resolution creates the Southern University Center for Equitable Development Task Force to study and develop statewide recommendations for local strategies and initiatives to meet the needs of economically depressed communities across the state.

SCR 67 (Duplessis) – This resolution requests BESE to study criteria for considering the renewal of the charter of a failing charter school.

SCR 68 (Adley) – This resolution requests the La. Student Financial Assistance Commission to study the feasibility of weighting grades earned in honors and other advanced courses when calculating grade point averages to determine TOPS eligibility.

SCR 111 (Nevers) – This resolution requests local school boards and superintendents to encourage the schools under their jurisdiction and administration to support the creation and ongoing activities of Parent-Teacher Association units.
